

# *A Horse of a Different Color*

**Celebrating the Human Horse Bond Through Art**

**Celebrating the Many Different Ways in Which Horses Help Humans**

# Dunrovin Ranch

## A Small Guest Ranch Along the Bitterroot River

[www.DaysAtDunrovin.com](http://www.DaysAtDunrovin.com)  
The World's First *Cyber Ranch*

## Dunrovin's Concept

To raise money for nonprofit programs involving equine assisted wellness and therapy by hosting a performance art celebration of horses at Dunrovin Ranch and use DaysAtDunrovin's web camera technology to engage a global audience

# The History of the Horse is the History of Humanity

"Wherever man has left his footprints in the long ascent from barbarism to civilization, we find the hoof print of a horse beside it."

~ John Trotwood Moore

# *A Horse of a Different Color*
